REPORT ON CIVIL HOSPITALS AND DISPENSARIES  
IN UTTAR PRADESH FOR THE YEAR 1954.

**CENTRAL :**

The year 1954 has continued to be a period of development of Medical department of the State of Uttar Pradesh. There has been an alround expansion of medical relief with special emphasis on improving the conditions in rural areas. Col. A. N. Chopra, M.B.B.S., D.T.M. (Liv.), D.P.H., (Eng.), P.H.S., I.M.S., (Retd.), held the charge of the office of the Director of Medical and Health Services, U.P., Lucknow, throughout the year under report with the exception of a period of six weeks in March-April, 1954 when he was on leave and the late Dr. J. P. Gupta, held that office during Col. Chopra's absence. The Director was assisted by the following officers at the Headquarters:—

- |   |  |
|---|--|
| 1. Additional Director                  | Dr. J. P. Gupta,                                 |
| 2. Deputy Director                      | .. Dr. M.C. Verma upto 31-3-54                   |
|   | .. Dr. B. Gopal, from 1-4-1954<br>to 31-12-1954, |
| 3. Deputy Director (Women)              | .. Dr. (K.) G. B. Kabraji,                       |
| 4. Deputy Director (Ayurveda)           | .. Sri D. A. Kulkarni,                           |
| 5. Supdt. of Nursing Services,<br>U. P. | .. Kumari L. M. Williams.                        |

2. The administration at district level of medical institutions, both urban and rural, was, as usual, carried on by the civil surgeons except the undermentioned institutions which have wholetime Superintendents:—

Mental Hospitals, Agra and Bareilly.

Balrampur Hospital, Lucknow,

Lala Lajpat Rai Hospital, Kanpur,

T. B. Sanatoria, Bhowali, Dakpathar, and Gethia,

Sarojini Naidu Hospital, Agra,

Dufferin Hospitals, Allahabad and Lucknow.

Alice Horsman Memorial Hospital, Kanpur, and

Ishwari Memorial Hospital, Banaras.

The office of the Principal, Medical College, Agra and Superintendent, Sarojini Naidu Hospital, Agra, was held by Dr. H. N. Bhatt, F.R.C.S., throughout the year.

Dr. N. Ghatak, D.Sc., continued to be the Chemical Examiner to Government throughout the year under report.

#### CADRE OF MEDICAL OFFICERS:

The total strength of Medical services in the State during the year under report was 1239, of which 51 were civil surgeons; 6 specialists; 195 P.M.S.I. men and women; 923 P.M.S.II./P.S.M.S. men and women and 64 honorary medical officers. Six P.M.S.I. officers for Civil Hospital and T. B. Sanatorium, Firozabad, Leprosy Pilot Project, Dchrar Dun, and Sampurnanand Camp, Naugarh, district Banaras were added during the year. The total strength during the preceding year was 1,158 showing an increase of 81 personnel in the year under report.

#### TRAINING OF NURSES:

The six centres for training of Nurses at Lucknow-Kanpur (2), Allahabad and Agra (2) each continued to impart training during the year 1954. 106 students as a result of competitive test and interview were selected and admitted for the Nurses Training during the year 1954. 185 students passed and were appointed as Staff Nurses.

One Matron was deputed during the year under report for a study tour abroad under Point Four T.C.A. Programme in connection with the award of fellowship in Nursing Administration in America. The fourth probationary Nurse returned from U.K. after preliminary training in General Nursing and Midwifery in U.K. and joined as Staff Nurse at Gandhi Memorial and Associated Hospitals, Lucknow. One male Nurse returned after training in mental diseases at Mental Hospital, Ranchi, and one was deputed for training there in the same subject during the year under report.

#### POST GRADUATE AND POST LICENTIATE TRAINING:

The two Medical Colleges at Agra and Lucknow, undertook the post graduate training in M.D., M.S., D.L.O., D.M.R.E., D.T., D.C.P., Courses. The Muslim University Institute of Ophthalmology, Gandhi Eye Hospital, Aligarh imparts post-graduate training in D.O. The condensed M.B.B.S, course which remained in abeyance during the year 1953 was resuscitated in the year under report at the Medical College, Lucknow for upgrading the licentiates.

Nine medical officers were sanctioned leave for higher training abroad in various medical subjects during the year under review. 16 medical officers proceeded for higher training in the medical institutions in the country during 1954.

5 P.M.S.I. officers after completing their higher training in foreign countries and one P.M.S.I. officer after training in Thoracic Surgery at Vellore, returned to the State Medical Services.

## **PROVINCIAL NURSING SISTERS AND NURSING SERVICES:**

Sanctioned strength of the Nursing Staff during the year under report was 1108 as against 921 in the preceding year showing an increase of 187. There have been 180 Nursing orderlies employed in out-lying dispensaries during the year 1954. So far Nursing Services have been introduced in 26 hospitals. The Nursing services have been satisfactory in the State during the year under report.

## **DENTISTRY AND DENTAL SURGERY:**

The Dental College established in association with the Medical College and Hospital, Lucknow continued to function properly during the year under report. A Dental X-ray unit has been installed and Dental X-rays are also being done.

## **U. P. NURSES AND MIDWIVES COUNCIL:**

The office of the ex-officio President of the Nurses and Midwives Council was held by Colonel A. N. Chopra, M.B.B.S., D.T.M., (Liv.), D.P.H., (Eng.), P.H.S., I.M.S., (Retd.), Director of Medical and Health Services, U.P., Lucknow, throughout the year except for a period of 6 weeks when he was on leave. The Council continued to discharge its usual functions of registration and regulating the training of nurses and midwives, etc. It was also responsible for taking disciplinary action for professional mis-conduct. The following number of persons were registered with the Council during the year under report:—

Nurses	130
Midwives	79
Assistant Midwives	44
Health Visitors	4

Two ordinary meetings of the Council were held during the year under report.

## **U. P. STATE MEDICAL COUNCIL:**

The office of the President of the Medical Council was held by Col. A. N. Chopra, M.B.B.S., D.T.M., D.P.H., P.H.S., I.M.S., (Retd.), throughout the year excepting the period March 15 to April 25, 1954, when it was held by late Dr. J. P. Gupta, M.B.B.S., P.M.S.I., The Council continued to discharge its usual functions and two ordinary meetings of the Council were held. The number of registrations during the year under report was 365. The Council considered the cases of violation of medical ethics and erased the name of one practitioner from the medical register for one year, and severely reprimanded another practitioner. The Council did not favour the proposal to introduce the practice of periodical renewal of registrations. To check quackery, the Council suggested careful revision of the list of poisonous and dangerous drugs which should be dispensed with or sold only on the signature of registered medical

practitioner, and that dead bodies be disposed off only after the issue of death certificate by a registered medical practitioner. The latter measure is to be introduced at once in municipal towns if it is not possible to introduce it in rural areas at present. Coroners need be appointed in every district headquarters.

#### U. P. STATE MEDICAL FACULTY:

The office of the President was held ex-officio by the Director of Medical and Health Services, U.P., Lucknow, throughout the year under report. The State Medical Faculty conducted the following examinations and the number of candidates who were declared passed during the year 1954, is noted against each:—

Diplomated Nurses	.. 114
Certificated Nurses	.. 43
Diplomaed Midwives	.. 103
Certificated Midwives	.. 131
Health Visitors	.. 12
Compounders and Dressers Certificate Examination (Part II)	.. 133
Sanitary Inspectors (Part II)	.. 68
Diseases of Men	.. 1
Radiographers	.. 2
Laboratory Technicians	.. 1

Two ordinary meetings of the Faculty were held during the year under report.

#### MEDICAL FACILITIES:

Expansion of medical facilities throughout the State and specially in rural areas and small towns continued during the year under report. The number of institutions of various classes at the end of the years 1953 and 1954 is given below:—

Classes	1953	1954
State public	.. 437	459
State Special	.. 150	151
Local and Municipal	.. 351	346
Private aided	.. 50	50
Private non-aided	.. 30	30
Subsidised	.. 85	83
	1,103	1,119

It will be seen that the year 1954 opened with 1,119 hospitals and dispensaries (707 rural and 412 urban) showing an increase of 16 institutions during the year. The number of new hospitals and dispensaries opened was 26 and closed 10. 19 branch dispensaries were either newly opened or provincialised. Those newly opened were Akbarabad (Aligarh); Daniya and Munsiyari (Almora); Imilaya (Hamirpur); Erich (Jhansi), Dubhar (Ballia); Rasian (Banda), Chopan (Mirzapur), Tikoniya (Kheri) and women hospitals dispensaries at Siswabazar (Gorakhpur), Rura (Kanpur), Kairana (Muzaffarnagar) and Women Wing to the male dispensary at Behtakalan, (Rae-Bareli). The dispensaries provincialised were Katra Diwan Khera (Unao), Maurawan (Unnao) and Holipura (Agra) and three women hospitals at Haldwani, Hathras and Firozabad. Besides the above allopathic dispensaries there was a net work of State managed Ayurvedic and Unani Dispensaries working all over the rural areas of the State. Their total number during the year under report was 547 as against 537 in the preceding year.

In Jhansi, one full fledged Women Hospital, having a bed accommodation for 20 patients was opened during the year 1954.

#### SPECIALIST SERVICES AND INSTITUTIONS.

##### TUBERCULOSIS:

Government sanctioned financial aid to deserving poor patients suffering from T.B. out of Health Minister's Charity Fund. The Government of India sanctioned a grant of Rupees 10,000/- during the year under report for giving cash grants to indigent displaced T.B. patients. Out of this, a sum of Rs. 6,996/- was given to such patients during the year 1954. Out of the funds collected by teachers and students a 25-bedded T.B. ward is being constructed at the Brij Sewa Samiti, T.B. Sanatorium, Vrindavan. It is expected that this ward would be ready for use during the next financial year. Similarly, a building which will provide accommodation for 76 additional beds at Ferozabad is under construction. The U.P. T.B. Association sanctioned a total grant of Rs. 1,13,471/- for the opening of new T.B. Clinics and maintenance of some of the existing T.B. Clinics at various places. The question of opening a Rehabilitation centre for T.B. patients at Lucknow received consideration. The U.P. T.B. Association kept on exploring the possibilities for the establishment of this centre. The following are the T.B. institutions that existed in the State during the year 1954 and the number of beds in them:—

Sanatoria	Number of beds
K.E. VII Sanatorium, Bhowali and Bhumi- dhar annexe	320
Dakpathar Sanatorium	.. 88
Gethia Sanatorium	.. 65
Karelabagh Sanatorium, Allahabad	.. 20 (Closed)
Sri Mangal Pd. T.B. Sanatorium, Banaras	.. 15

<i>Sanatoria</i>	Number of beds.
Sri B.S.S. Sanatorium, Vrindaban.	.. 56 (25 bedded teachers & students ward has been added in '55)

The U.P. T.B. Association carried out intensive anti-T.B. propaganda by means of cinema shows, displaying slides distributing free literature and hand bills etc.

#### LEPROSY:

In pursuance of the programme undertaken at the initiative of and in conjunction with the Government of India for the establishment of a few Pilot Projects for the control of leprosy in the country, one Treatment and Study Centre was established at Dehra Dun from October 1, 1954. This centre is carrying out intensive mass treatment and simultaneously undertaking health education on the infectivity of the disease and its prevention. Efforts are also being made to popularise the newer and more rational outlook on leprosy in the area so as to ensure maintenance of a sympathetic attitude between the infected and the healthy. It is also proposed from the next year to open a Subsidiary Centre in some eastern part of the State under the Government of India Leprosy Control Scheme. Large scale trials on the efficacy of B.C.G. Vaccination as a prophylactic against Leprosy will also be conducted. The existing leprosy institutions, 16 in number, with bed accommodation for 1279 patients, as mentioned below, continued to function during the year under report. In emergencies additional beds for indoor patients were provided. The total number of Leprosy patients treated during the year under report was 38,040.

Name of Asylum	No. of beds.
Leprosy Home and Hospital, Naini	.. 250
Leprosy Asylum, Almora	.. 120
Leprosy Asylum, Chandag, Almora	.. 110
Leprosy Home, Zammuratganj, Faizabad	.. 270
Mac Laren Leprosy Hospital, Dehra Dun	.. 88
Leprosy Asylum, Roorkee	.. 14
B.D. Leprosy Hospital, Kanpur	.. 53
Leprosy Asylum, Moradabad	.. 50
Leprosy Asylum, Haldwani	.. 72
Gupta Leprosy Asylum, Kheri	.. 10
Aman Sabha Leprosy Asylum, Bahraich	.. 24
Leprosy Asylum Srinagar, Garhwal	.. 15
Leprosy Asylum, Agra	.. 50
Kusht Sewa Ashram, Gorakhpur	.. 73
R.K.S.G. Leprosy Asylum, Banaras	.. 45
Leprosy Asylum, Lucknow	.. 35
	_____
	1,279

Grants-in-aid of Rs. 2,25,900/- were provided by the Government for the maintenance of these institutions during the year under

report. The anti-leprosy mobile unit continued to carry out the survey and treatment of leprosy patients in the district of Gorakhpur.

#### VENEREAL DISEASES:

The treatment of venereal diseases continued to be undertaken by the hospitals and dispensaries in the State which were equipped with the requisite drugs for the treatment of these diseases. Facility for treatment for venereal diseases in particular was available during the year at the following institutions.

<i>Name of the Institution</i>	<i>No. of beds.</i>
Venereal Diseases Clinic,	
Ursula Horsman Memorial Hospital, Kanpur	.. -
V. D. Hospital, Chakrata	.. 12
V.D. Clinic, Dudhi, Mirzapur	.. 6
V.D. Clinic, Moti Lal Nehru Hospital, Allahabad	.. 3
V.D. Clinic Crosthwaite Hospital, Nainital	.. -
V.D. Department of the Sarojini Naidu Medical College, Agra	.. 5

Grants were also sanctioned for free treatment of venereal diseases specially amongst pregnant women. The total number of patients treated for V. D. in hospitals and dispensaries during the year under report was 94154. The V.D. Mobile unit which continued to function in Jaunsar Bawar area carried out mass treatment of people afflicted with venereal diseases by moving from one village to another. The World Health Organisation has agreed to donate one set of Seriological field unit to the V.D. Department of the Sarojini Naidu Medical College, Agra, and steps to procure the said unit are being taken.

#### EYE RELIEF WORK:

The eye relief work in the State continued to be done on Zonal basis. One more Zone was created during the year bringing the total number of zones to six. The following institutions serve as base hospitals for the eye relief work:—

Gandhi Eye Hospital, Aligarh,

Sitapur Eye Hospital, Sitapur,

Eye Departments of Medical College, Lucknow and Agra;

K.E. VII Hospital, Banaras, and

Lala Lajpat Rai Hospital, Kanpur.

To afford greater facilities to the patients suffering from eye diseases branch eye hospitals were established in various districts. Mobile hospitals were maintained by the Gandhi Eye Hospital, Aligarh. The annual allotment of Rs. 75,000/- for eye relief work was repeated during the year 1954-55 for giving grants to local societies for doing eye relief work.

**EYE BANK:**

Special features of Eye Relief work is the establishment of an Eye Bank at the Gandhi Eye Hospital, Aligarh. One cause of blindness is opacity of cornea. It is possible to restore vision in such cases by grafting cornea of a recently dead man on the diseased eye. Such work is in progress at this Institute. A meeting of the Ophthalmic Advisory Council was held in October, 1954. It recommended the increase of grant of eye relief from Rs. 75,000/- to Rs. one lac, but for want of funds, the recommendations could not be implemented. The following is the list of institutions where treatment for eye diseases particularly was undertaken during the year under report.

Name of the institutions	No. of beds.
M.D. Eye Hospital, Allahabad	24
Gandhi Eye Hospital, Aligarh	300
Sitapur Eye Hospital, Sitapur	301
M.M.M. Hospital, Fatehpur	12
Jhinhak Eye Hospital, Kanpur	—
Lalit Hari Ayurvedic and Surgical Charitable Dispensary, Pilibhit	—
Department of Ophthalmology, S.N.M.C. Agra	60
Department of Ophthalmology, K.G.M.C., Lucknow	72
Sir Sunder Lal Eye Hospital, B.H.U., Banaras	50
Raja Eye Hospital, Bulandshahr	30
Jain Charitable dispensary, Saharanpur	20

General hospitals and dispensaries in the State also undertook the treatment of eye diseases, the principal among them being:—

Lala Lajpat Rai Hospital, Kanpur	.. Eye Beds 34
Ursula Horsman Memorial Hospital, Kanpur	.. Eye Beds 28
Balrampur Hospital, Lucknow	.. Eye Beds 20

The following is the table showing eye operations performed in the hospitals during the year under report:—

	1953	1954
Trachoma	.. 3,20,790	3,24,121
Glaucoma	.. 20,474	21,902
Cataract	.. 50,644	65,259

**ANTIRABIC TREATMENT:**

Anti-rabic treatment was given at all district head-quarter hospitals. The following table shows the number of patients given anti-rabic treatment in the State during the year under report:—

1. Total No. of patients who came to anti-rabic treatment centres during the year 1954—34,852.

2. (a) Total number of patients who were advised without being admitted for treatment—7,140.
- (b) Total number of patients admitted for treatment—27,712.
3. Classification of number under 2(b) by animals who were responsible for bites, i.e.,

Year	Dog bites	Jackal bites	All other bites
1953	21,758	2,055	2,279
1954	23,044	1,842	2,826

#### MENTAL DISEASES:

There are three mental hospitals in the State with the following accommodation:—

	No. of beds
1. Mental Hospital, Agra	.. 622
2. Mental Hospital, Bareilly	.. 408
3. Mental Hospital, Banaras	.. 331

The Mental Hospital, at Banaras is meant exclusively for criminal mental patients. A separate report on the working of mental Hospitals is published every year. Statistics and facts regarding these hospitals do not therefore, form part of this report. Good work was done in these hospitals during the year under report.

#### STRUCTURAL IMPROVEMENTS IN BUILDINGS:

Additions and alterations in the existing hospitals buildings as well as new constructions were made to make them suitable to meet the requirements of modern hospitals. Some of the important improvements which have been carried out or are under construction in the hospitals buildings are briefly stated below:—

The following major building works have been completed during the year under report:—

New combined hospital at Deoria.

Additional residential quarters and electrification of the staff quarter of the combined hospital at Rae Bareli.

New Store godown at the Mental Hospital, Agra.

Construction of a 48-bedded ward at the King's English Hospital, Lucknow, in connection with the training of students in Ayurveda.

New I.D. Ward at the District Hospital Kheri and conversion of the existing one into inferior servants quarters.

Additions and alterations in the new hospitals established at Rani-khet.

The following major works continued during the year 1954:—

Extension and improvements at the King George's Medical College, Lucknow, under which scheme the major work is the construction of the Pathological block which has almost been completed and will be ready for occupation shortly.

5-year extension and improvements plan of the Sarojini Naidu Medical College, Agra, under which scheme the extension to Girls Hostel and extension and improvement to Anatomy Department completed, the work on the construction of a double storeyed second boys hostel for 100 students continued.

Central Preliminary Training School at Kanpur.

Residential quarters for the Officer and staff of the Bhowali Sanatorium.

Additions and alterations to the existing buildings of Duffering Hospitals at KABAL towns.

Additions and alterations to the Sri Ram Hospital Ayodhya, Faizabad.

Additions and alterations to King's English Hospital, Lucknow.

Electrification of the District and Women Hospitals, Basti.

Electrification of the Ishwari Memorial Hospital, Banaras.

X-Ray block at the District Hospital, Ballia.

Besides the above mentioned regular building programme, Government started sanctioning special lump allotments for special repairs and improvements to State Hospitals and dispensaries from the year 1952-53. In the years 1952-53, 1953-54 and 1954-1955, the Government provided allotments of Rs. 7½ lakhs, Rs. 5½ lakhs and 5.44 lakhs respectively. The major works completed during the year under report were:—

Kitchen block at the Doon Hospital, Dehra Dun. Operation theatre at the K.E. VII Sanatorium, Bhowali. Arrangements for washing clothes at the K.E. VII Sanatorium, Bhowali.

Special repairs to Men and Women Hospitals Tehri Garhwal.

Additions and alterations to the Nissen Shed at the T.B. Sanatorium, Dakpathar.

Repairs to Oak View state building at Ramgarh.

Construction of a store room and verandah and under ground room and fly proofing of verandah opening in surgical wards and construction of an X-ray block at the Dufferin Hospital Lucknow. This has nearly been completed.

Work in respect of 10 dispensary buildings was taken up out of which four buildings were completed while work on the rest is continuing.

## EQUIPMENT AND MEDICINES SUPPLY OF:

During the year under report the Government C.M.S.D. Lucknow, purchased Life Saving medicines such as Streptomycin, PAS, Chloromystin and Penicillin etc. worth Rs. two lacs out of which Streptomycin and PAS were supplied in bulk to State Hospitals and dispensaries for treatment of poor and indigent patients. Emergent supplies were also made to these hospitals on requisitions. Besides this, life saving medicines such as Streptomycin and PAS worth Rs. 10,000/- were also purchased from police account for supply to police personnel. In addition, general medicines worth Rs. 30,000/- were purchased and stocked in the Government Central Medical Stores Depot for meeting emergent requirements of the hospitals and dispensaries at times when their normal supplies could not be received due to late issue of Stores Purchase notifications from the Director of Cottage Industries, U.P., Kanpur, or when certain small requirements costing below Rs. 50/- could not be had from the approved sources. The supply of anti-malarial drugs which was being made to State Hospitals and Dispensaries direct from Government Quinine Factory till March 31, 1954, is now being made from the Government maintained by Local Boards continue to receive their supply from Central Medical Stores Depot after receiving the bulk supply from the Government Quinine Factory. Other State institutions not directly under the control of the Medical Department and those maintained by Local Boards continue to receiving their supply from the Quinine Factory as usual. The anti-Malarial drugs worth Rs. 1,02,612 8/- were purchased from the said factory during the period April 1, 1954 to December 31, 1954, out of which the supplies worth Rs. 79,891/- have been made to State Institutions directly under the control of Medical Department. Two new Hospitals at Khurja and Ferozabad were equipped out of the grants of Rs. 75,000/- and Rs. 80,000/- respectively. Out of the grants of Rs. 95,000/- and Rs. 2,50,000 the thirty bedded hospital at Ranikhet, district Almora was further equipped. One hot and cold water sterilizer and one Nigu type instrument to T.B. Sanatorium Dak Pathar, district Dehia Dun. Ear, Nose and Throat instrument to Lala Lajpat Rai Hospital, Kanpur, and Transformers and converters to the new X-ray machines at the District Hospitals, Azamgarh and Faizabad were supplied during the year 1954. Godrej cupboards, Rubber table pads, beside lockers, bedsteads and other equipment were also supplied to State Hospitals and Dispensaries during the year under report.

## BLOOD BANKS AND BLOOD TRANSFUSION SERVICES: U.P. BLOOD BANK, LUCKNOW:

The Blood Transfusion Service has come to be regarded as an indispensable auxilary to surgical work and a vital and necessary life saving measure. More and more hospitals and medical practitioners are utilising the services of the Blood Bank, U.P., Lucknow. Practically all the major operations at Gandhi Memorial & Associated Hospitals, and Balrampur Hospital, Lucknow are done with the help of blood transfusion. A good number of out stations regularly and frequently ask for blood from the U.P. Blood Bank, Lucknow. The main activities of the Bank have been as follows:—

1. Grouping and matching of patients' and donor's blood.
2. Collection of blood from donors.
3. Supply of blood to patients at Lucknow as well as out station hospitals.
4. Preparation of Pyrogen-free Citrate and Saline solutions used in blood transfusion.
5. Special cleaning of Blood Transfusion Apparatus-undertaken for all local hospitals. (This is necessary for ordinary cleaning always gives rise to reactions).
6. Preparation of Group Sera. (These are supplied to all the hospitals in the State).
7. Training medical men from local hospitals in grouping and matching and transfusion technique.
8. Maintaining a list of professional donors for use of patients.
9. Storing Normal Human Serum (Dried Plasma) purchased commercially.
10. Helping medical men in actual technique of blood transfusion and studying the post transfusion reactions in order to avoid them.

The details of the work done during the year under report as well as in the previous year are given below:—

ACTIVITIES	1954	1953
Blood groupings done	1,811	1,433
Blood Matchings done	1,717	1,639
Whole blood collected	5,97,375 cc	4,80,400 cc
Whole blood issued	5,94,450 cc	4,66,525 cc
Blood Donors bled	1,606	1,511
Total number of transfusion provided	1,528 Amp.	1,464 Amp.
Quantity of group sera issued	1,458 Amp.	1,045 Amp.
Transfusion sets issued	1,334	1,291
Quantity of group sera prepared	1,950 Amp.	1,180 Amp.

#### BLOOD BANK AT THE SAROJINI NAIDU MEDICAL COLLEGE AND HOSPITAL, AGRA:

The details of the work done at this blood bank, are given below:—

581 new donors were enrolled during the year under report of which 488 were professional and 93 voluntary. This makes the total number of donors on panel as 961 of which 742 were professional and 219 voluntary. Blood grouping of 1,596 persons was performed. The number of donors bled was 707 of which 618 were professional and 89 voluntary. The amount of total blood collected was 2,05,100 cc

of which 20,4,650 cc was transferred within a period of 7 days of collection. The number of whole blood transfusions was 797.

45 transfusions were made free of charge in which a total amount of 10,200 cc of whole blood was transfused. The Blood Bank also collected a sum of Rs. 371 as donations for supply of blood free of charge to the poor and needy patients.

#### BLOOD BANK AT K. E. VII SANATORIUM, BHOWALI, DISTRICT NAINITAL:

The Blood Bank attached to the K. E. VII Sanatorium, Bhowali, started functioning from May 2, 1954. Following work was done during the period May 2 to December 31 1954:—

	Grouping done.	Donated.	Quantity of blood.	
Naini Tal	17	1	325 cc	Free
Bhowali Sanatorium	55	6	325 cc each	Paid
Haldwani	83	26	325 cc each	Paid

#### DRUG CONTROL WORK IN UTTAR PRADESH:

The Drugs Act and Rules were strictly enforced in the State during the year 1954. As in the preceding year, strict watch was kept on the sale and manufacture of substandard, misbranded and spurious drugs as also on the sale and manufacture of drugs without a licence. The number of prosecutions launched was 151 out of which 37 were convicted and the amount of fine realised was Rs. 1,935/- . Two were sentenced to imprisonment. The strength of Drugs Inspectors was increased from six to eleven during the year under report in order to secure better administration of the Drugs Act and Rules. Under the U. P. Objectionable Advertisements Control Act and Rules, the Municipal and District Officers of Health impressed upon the local advertisers the necessity of obtaining a licence for advertising premises used for the treatment of venereal disease, sterility, sexual impotence and hydrocele. As a result of this certain undesirable and indecent advertisements were unearthed. 69 applications for the grant of licence were received. After scrutiny 2 licences were issued and other were either rejected or under correspondence. 21 offenders were prosecuted under the Act and 8 were convicted and fined. The Objectionable pamphlets wherever found were seized and confiscated.

Under the U. P. Pure Food Act and Rules the application and licence forms were declared saleable forms obtainable from the District Magistrates of the districts concerned. Upto the end of November 1954, 6716 prosecutions were launched under this Act and Rules, of which 3758 persons were convicted and a sum of Rs. 3,44,899/- was realised as fine and 105 persons were awarded imprisonment in addition to the fine. An Anti-adulteration conference was held in Lucknow, to chalk out a plan to launch anti-adulteration drive in the city of Lucknow.

The Iodoised Salt Scheme for Jaunsar Bawar area, where goitre is endemic, has been in operation for the last six years. In the beginning the people were averse to the use of iodised salt, but due to the persistent propaganda carried on by the Public Health Staff, people

have realised its benefit and now come forward to purchase this salt for domestic use. The fall in incidence of the disease during the year under report was appreciable.

#### STATISTICS:

*Statements A:*—This statement shows at a glance the number of Allopathic Hospitals and Dispensaries of all classes of medical institutions functioning in the State during the year 1954. The number of such institutions during 1954 was 1119 as against 1103 during the previous year, recording a net increase of 16.

*Statement A-1:*—Shows specialist services and institutions in the State. In all there were 131 institutions rendering specialists services with a total bed strength of 4,958.

*Statement B:*—This statement gives the distribution of medical personnel. The total No. of medical personnel employed in various institutions of the State during the year under report was 12,051 as against 11,982 in the previous year. The figure includes the medical officers in the service of State Government and other ancillary personnel, namely Nursing Orderlies, Compounders, Laboratory Assistants, X-ray, Technicians, Midwives, etc.

*Statement C:*—This statement shows the number of indoor and out-door of patients treated in 4 classes of Medical institutions, viz., State-Public, Local Fund, private aided and subsidised hospitals and dispensaries. It does not include the units which fall under the category of State-Special, Private non-aided and Railways which form part of Statement D.

The total number of beds available in the aforesaid hospitals and dispensaries was 12,938 (for men 7,636 and women 5,302).

*In-Patients:*—The total number of in-patients treated during the year was 3,36,656 as against 3,29,392 in 1953 recording an increase by 7,264. Of these in-patients number of cured was 2,44,361, relieved 72,503, discharged otherwise 23,275 and died 12,134. The death percentage among the total in-patients was 3.4 during the year under report.

... *Out-patients:*—The total number of out-door patients treated in hospitals and dispensaries was 1,34,54,361 as against 1,32,05,224 in previous year recording an increase by 2,49,137.

*Statement D:*—This statement shows the total number of beds available for indoor patients, total number of patients treated indoor and out-door and the diseases for which they were treated, in all classes of hospitals and dispensaries.

The total number of beds in all classes of hospitals and dispensaries together with number of patients treated during the last three years are compared below:

Year	No. of beds.	No. of patients treated.
1952	13,944	1,36,63,349
1953	14,768	1,42,24,967
1954	15,137	1,45,45,379

The progressive increase in the number of patients treated is an index of the growing popularity of hospitals and dispensaries and the increasing appreciation by the people of the State of the medical facilities afforded through these institutions.

The following statement shows the number of patients treated for some of the common disease during the years 1953 and 1954:—

Diseases	Year 1953		Year 1954	
	Treated	Death	Treated	Death
1. Cholera	4,515	132	1,799	52
2. Dysentery				
(a) Amebic	1,79,213	100	17,9,480	78
(b) Bacillary	2,27,928	116	2,17,459	131
3. Kala Azar	13,685	53	9,830	45
4. Leprosy	16,915	38	38,040	51
5. Malaria	13,52,313	311	10,86,019	230
6. T. B. (1-5)	1,65,155	522	1,93,808	544
7. V D. (6-11-)	86,275	69	94,214	43

The increase in number of patients who sought facilities in the State hospitals and dispensaries during the year under review, is an index of the fact that mass consciousness of hospitalisation increased and the people did not allow themselves to be left untreated.

*Statement D-1:*—This statement shows the number of in-patients treated in the hospitals and dispensaries for the 15 specified diseases distributed by age and sex.

*Statement E:*—This statement shows the result of surgical operations performed in the State Public, Local Fund, Private aided and subsidised hospitals and dispensaries. The total number of surgical operations performed during the year under report was 5,68,045 as against 5,55,902 during the previous year. The number of surgical operations increased by 12,143. The steady increase in surgical operations shows growing popularity of the institutions and is a satisfactory feature of surgeons of the State during the year under review.

*Statement F:*—The total income of state public, local and municipal funds; private aided and subsidised hospitals and dispensaries in Uttar Pradesh during the year under report was Rs. 1,73,85,169/- as against Rs. 1,77,65,395/- in the preceding year and the total expenditure was Rs. 1,68,86,590/- as against Rs. 1,72,57,646/- in the previous year. The closing balance was Rs. 5,14,316/- as against Rs. 5,37,757/- in the preceding year.

*Statement G:*—The total amount of invested capital of the state-public local and municipal; private aided and subsidised hospitals and dispensaries in the State, during the year under report was Rs. 20,55,447|14|9 as against Rs. 20,95,814|12|9 in the year 1953 and the closing balance at the end of the year 1954, was Rs. 20,54,447|14|9 as against Rs. 20,81,340|6|9 in the preceding year.

### POST MORTEMS:

The number of post-mortems performed by the civil surgeons, P.M.S.I. and P.M.S.II officers in the state during the year under report was 5,976.

### INCOME FROM PATIENTS:

A sum of Rs. 7,78,480, was realised from patients on account of fees, rent of wards, cost of medicines etc., during the year under report.

### COLLECTION THROUGH CHARITY BOXES:

A sum of Rs. 9,760 was collected through the charity boxes placed at the State Hospitals and dispensaries in the State during the year 1954.

### SUBSCRIPTIONS AND DONATIONS:

A sum of Rs. 10.67 lakhs was donated by the public during the year under report for medical relief in the State. This is very encouraging and ennobling. The details are given below:—

Name of Donor.	Amount of Donation.	Name of work.
Sri Shiba Kumar Bajpai of Nachghar, Kanpur.	Rs. 10,000/-	Construction of building for eye patients in O.P.D. of Ursula Horsman Me- morial Hospital, Kanpur.
Public of Basti	Rs. 1,36,457 11 -	Construction of an O.P.D. at District Hospital Basti.
From Victory Memorial Fund.	Rs. 50,000 -	Construction of a soldiers' ward at the District Hos- pital, Basti.
From collective fund	Rs. 18,100 -	Construction of X-ray block at District Hospital, Unnao.
From K. G. Thanks Giving Funds District Exhibi- tion District and Munici- pal and local Subscrip- tions and U.P. T. B. As- sociation.	Rs. 63,660 -	Construction of T. B. Hos- pital at Etawah.
Sri Har Narain Rohtagi 15-21, Civil Lines, Kan- pur.	Rs. 10,000 -	Construction of Hall and a verandah near the O.P.D. of Ursula Horsman Me- morial Hospital, Kanpur.
Sri Baldeo Das Baijoria Local and Municipal and the District Board of Saharanpur, etc.	Rs. 4,28,000 -	Towards construction of Sri Baldeo Das Baijoria Combined Hospital, Saha- ranpur.
Out of the Teachers' and Students' T. B. Funds.	Rs. 2,49,600 -	Construction of buildings to accommodate addi-

		tional T. B. Patients at the Sarojini Naidu Hos- pital, Firozabad.
Do.	Rs. 1,00,000/-	For improvements in the water supply of the Pha- phamau T. B. Sanatorium, Allahabad.
Proprietors of Sri Pannaji Sugar and General Mills Co., Bulandshahr.	Rs. 1,706 8 3	Donation of 11 ceiling fans for the closed verandah of the District Hospital, Bu- landshahr.

One philanthropist has offered a building for opening of a dispensary at Dubhar in Ballia District.

#### HOSPITALS SEALS Campaign:

Government have been pursuing the programme to extend medical facilities to those parts of the State where they do not exist at present and also to improve and supplement the existing facilities in the state hospitals, dispensaries and other medical institutions. Though a good deal of progress has been achieved in this direction, it is felt that there is still considerable room for improvements in order to bring the existing medical institutions on par with similar institutions in other countries rendering medical aid of a desirable standard to the public. Buildings of some of the existing hospitals and dispensaries call for immediate and extensive repairs. In some cases complete renovation is needed. Many of these institutions lack modern equipment as well. All this will entail enormous expenditure, which in their present state of finance, Government do not find it possible to afford.

These institutions serve the humanity in alleviating the sufferings from diseases and therefore have a legitimate claim on public charity and philanthropy. In fact in some of the more advanced countries a large number of hospitals and the like institutions are run entirely or largely through public efforts. In several places of this state also many hospitals and dispensaries have been started either directly by philanthropists or with their assistance.

The Government, therefore, launched a scheme for collecting funds on a large scale from the public to supplement their endeavours to improve the medical facilities in the State. "Hospital Seals" of small denomination of one anna was put on sale at the state hospitals, and dispensaries and other suitable places.

The "Hospital Seals" sale campaign was inaugurated by Srimati Vijay Lakshmi Pandit, then President of the United Nations on April 19, 1954 at Lucknow. There was a gathering worthy of occasion and an excellent response which marked a good beginning for the campaign.

A sum of Rs. 60,000/- was collected in various districts through the sale of Hospital Seals in 1st. campaign and it is proposed to utilize the collections for improving mostly local hospitals and dispensaries and other medical institutions of the districts concerned.

**GENERAL:**

In order to improve the general working of hospitals and dispensaries, the following further circulars on Hospital Administration were issued by me during the year under report:—

1. Hospital Administration Circular No. 15—on Medico-legal work.
2. " " " " No. 16—Beds-Type-C h a n g i n g Linen-Method.
3. " " " " No. 17—Admission of patients-Preparation for emergencies etc.
4. " " " " No. 18—Training of Ward servants.
5. " " " " No. 19—Temperature-Pulse-R e s p i r a t i o n.
6. " " " " No. 20—Administration of Drugs-Common Methods-Care.
7. " " " " No. 21—Infection and disinfection.
8. " " " " No. 22—Ready reference charts of symptoms, signs and treatment for Nurses.

During my inspection of medical institutions, I made it a point to see that the instructions issued in these circulars are being followed by the staff and where necessary instructions are given on the spot for efficient working of the institutions.

**CONCLUSION:**

I have very great pleasure in recording that all officers working in the Medical Department have devoted themselves to work and have tried to do their bit. I am grateful to every one for the good work during the year.

The work of my office has greatly increased in magnitude and complexity. My office staff have borne the strain with pleasure. All of them have worked for long hours and have done their best towards quick and effective disposal of cases. I acknowledge my gratitude to them.

(A.N. CHOPRA)  
Director of Medical and Health Services, U.P.
